

A continuous improvement strategy for an Occupational Health and Safety culture

ELSIE CORNELIA PEENS

B.Sc. / HED

**Mini-dissertation submitted in partial fulfilment of the requirements for the
degree Masters in Business Administration at the North-West University**

Study leader: Mrs. Karolien Nell

November 2005

Vaal Triangle Campus

ACKNOWLEDGEMENTS

My sincere thanks and appreciation to:

- The Lord, our Creator, who gave me strength, insight and perseverance to complete this study.
- My husband and children who had to make great sacrifices, endured long lonely hours, and supported me throughout my studies.
- The management of Company X who supported this study.
- All my colleagues that contributed to this study in terms of insight, advice and support.

and

- Mrs. Karolien Nell, my study leader, for her support and guidance.
